

Routes Into Work

What does it include?

You will receive training specific to the construction sector alongside employability training to ensure that you are fully equipped for work in the construction industry. Your programme may be linked to a specific employers requirements.

A mix of the following will be delivered:
Ascentis Award for The Construction Industry: Introduction to construction Health & Safety Unit (cross referenced to the CIEH level 2 Health & Safety).

Practical skills: (selected from thirty units across the construction sector) CSCS site card preparation and test (where appropriate).

How many hours per week?

The exact hours of attendance required will be agreed at the interview and may be negotiated with your placement/employer.

Weeks 1
3 days Monday to Wednesday. with a minimum of 16 Guided Learning Hours.

Week 2 onwards
Customers will be expected to attend 3 days Monday to Wednesday. Between 16 and 30 guided learning hours. **30 Hours per week maximum.**

What are Guided Learning Hours?
They are the number of hours you will spend in the S&D Training building receiving guidance, support

How long will it last?

The training will last up to **6 weeks:**

Week 1
company induction, Health & Safety and Introduction to Employability Training.

Week 2
Area Induction, vocational sector specific training, CSCS Training and Employability Training.

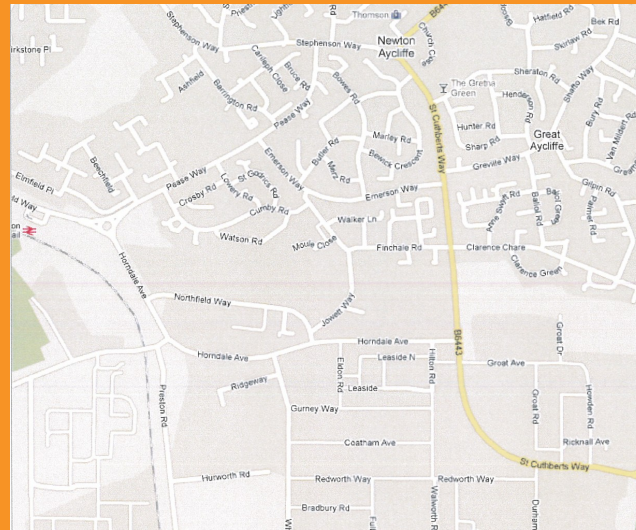

Weeks 3 to 6
mix and match of vocational sector specific training and employability training along with CSCS Training.

Week 5
CSCS Test
Within the 6 weeks you will also be put on a work Placement.

Where?

The full programme will be delivered at our Newton Aycliffe Training Centre: **15-16 Northfield Way, Aycliffe Business Park, Newton Aycliffe, County Durham, DL5 6EJ**

Extra Support

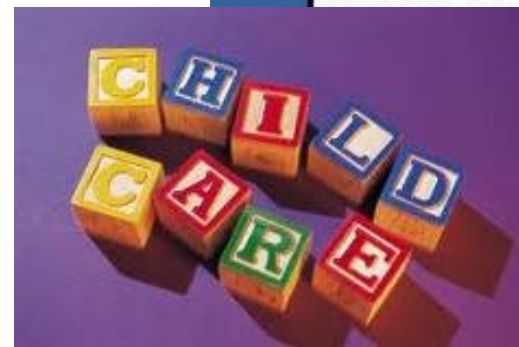

Travel and childcare support is provided by Jobcentre Plus so that you don't need to worry about money matters and can concentrate on the most important thing - preparing for and finding employment.

We provide a free bus service for learners with pick up points in the following areas:

South Church / Henknowle, Bishop Auckland, Tindale Crescent, West Auckland, Coundon, Middlestone Moor, Spennymoor, Tudhoe, Ferryhill, Chilton, Newton Aycliffe, Hunwick, Willington, Stanley-Crook, Sunnyside, Tow Law, Crook, Howden Le Wear.

To find out more speak to your local Job Centre Plus.

Alternatively visit our website or call 01388 771 740

Where will it take me?

The programme is designed to help you get onto an **employment path that interests you.**

What's great about this programme is that it is **industry specific**; therefore the training not only ensures that you are **prepared for the world of work, full of confidence** and raring to go but that you are heading in the direction that **you** want to go!

So you've completed the course, you're full of confidence and raring to go? Where now?

Though securing employment within the construction sector is the key goal, there are also further education options available to you:

Apprenticeships

If you're 18-24 years old then you may be eligible to complete an **apprenticeship**, depending on your previous experience and qualifications.

If you're 18 and aren't quite ready for an apprenticeship then you could consider a **Foundation Learning** programme which is a step towards an Apprenticeship.
